### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The present invention is directed to a DVD auto-changer exchanging a plurality of disks. Independent claim 1 identifies the uniquely distinct features "a story portion reproducer which forcibly reproduces a story portion upon exchanging said disks by said exchanger without displaying a menu when said all-repeat mode is set." The closest prior art, Tsukamoto (US Pat. No. 5,748,585) either singularly or in combination, fail to anticipate or render the above underlined limitations obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
